### Background

#### Who are we?

Youth Engagement Schools Trust (YES Trust) is a small but growing multi-academy trust in Cheshire and currently comprises The Fermain Academy, The Axis Academy, The Keystone Academy, Cornerstone AP and The Raise Academy (opening September 2024). We specialise in Special Needs and Alternative Provision, providing a vital service for some of the most vulnerable young people in the area. Our vision is to develop a thriving partnership of schools that work together to generate and celebrate success and to create opportunities for our students and staff that raise aspirations and inspire excellence. Further information about the YES Trust can be found on our website at <http://www.theyestrust.org>

## **What do our Local Academy Governors do?**

Local Governors are working with Headteachers and staff to ensure pupils get the best from their time in our academies. Their role is a strategic one to:

- Ensure clarity of vision, ethos and strategic direction;
- Hold the Headteacher to account for the educational performance of the organisation and its students, and the performance management of staff;
- Oversee the financial performance of the school making sure its money is well spent.

## **Who can become a Governor?**

We encourage applications from people from all walks of life so that we can draw on a wide variety of skills and experience to support and develop the academy. At the foot of this form is a list of eligibility criteria, but equally important is your readiness to work as part of a team that understands the academy's work and ability to think through new ideas and decide what is best for the academy. This will mean you are willing to:

- Attend meetings regularly
- Become involved and get to know the academy
- Help the local community and increase the learning opportunities of the pupils
- Read all paperwork circulated for meetings
- Attend events at the academy
- Respect confidentiality at all times

## **What are the benefits of becoming a Governor?**

Trustees and Governors in the YES Trust will find the role challenging, interesting and deeply rewarding because they can see how their work contributes to the well-being and prospects of pupils, academies and communities. It gives them a real opportunity to make a difference. In addition, our Governors tell us how it assists their personal development as being a Governor provides experience of executive decision making.
